

PinABC.COM

Manage and share your web collection
with online pinboards

What Can PinABC Do for You?

- Manage your bookmarks/notes online
- Share your collection with friends and see what others are sharing with you
- Handy toolbox and multi-service search bar
- Many users use PinABC as their personal web portal

Manage Bookmarks/Notes Online

- Save your bookmarks and notes online
- Access them with any browser from anywhere
- Manage bookmarks and notes with ease

Organize Everything with Pinboards

- Everyone has a pinboard
- Pin frequently used items on the pinboard
- Items on the pinboard are just one click away
- Unpin other items to save space on the pinboard
- Unpinned items are still accessible later

Share with Friends

- Share interesting web sites and other cool stuff with friends
- Peek other user's pinboards
- Copy what you like from other user's pinboards to your own
- Post something on your friend's pinboards
- Have full control on what to share

Follower-Following Model

- By following a user on PinABC, you are informed with this user's updates
- You can share your bookmarks and notes with your followers
- You can post bookmarks and notes on your follower's pinboard
- You can always un-follow someone you are following

Handy Toolbox

Tools in one box:

- Emails
- Calendar
- Weather
- Map
- Stock Quotes
- Google
- Facebook
- Twitter
- YouTube
- More...

Multi-service Search Bar

Type a keyword once in the single search bar and search with any of the following:

- Google
- Bing
- Yahoo!
- Baidu
- YouTube
- Wikipedia
- Map search
- Dictionary lookup
- Stock quote
- Amazon
- More...

Too Many Passwords to Remember?

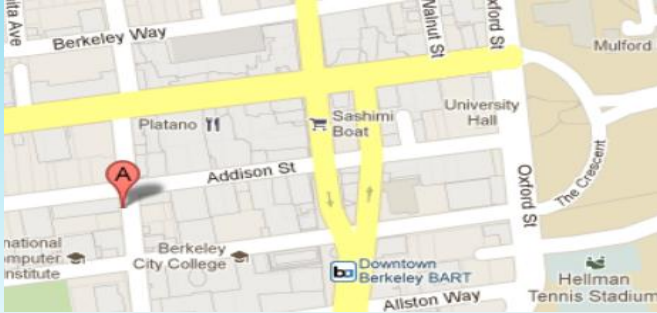

“I have too many passwords to remember: web sites of online banking, utilities, benefits, blogs, forums, social networking, ...”

PinABC can help!

- Save hints of login IDs and passwords with your bookmarks (Do not save full passwords)
- Never forget passwords again

Many Extra Features

- Save locations with notes and map them with one of the map services (Google, Bing, Yahoo or MapQuest)
- Favorites for quick access
- Simple to do list
- Most recently accessed
- More...

PinABC Respects Your Privacy

- Sign up does not require personal information other than email
- PinABC will never sell your email
- Passwords are irreversibly encrypted
- Your private bookmarks and notes are always invisible to others
- See our [privacy policy](#)
